

REMARKS

Consideration and entry of this amendment prior to issuance of a patent from the present application is respectfully requested.

The Notice to File Corrected Application Papers indicated that the specification refers to Figure 20, but said figure was not included in the drawings submitted in the Communication of Allowance filed February 16, 2010. In response, Applicant submits herein New Sheet of Figure 20. No new matter is added, as Figure 20 was previously submitted with the application as originally filed on May 4, 1992.

CONCLUSION

In view of the amendment and remarks herewith and those of record, the application remains in condition for allowance. Favorable reconsideration of the application and prompt issuance of a revised Notice of Allowance are earnestly solicited. The undersigned looks forward to hearing favorably from the Examiner at an early date.

Respectfully submitted,

FROMMER LAWRENCE & HAUG LLP
